Foreword

Executive Summary

Part I: Introduction

<u>Chapter 1. Background</u>	1
A. PURPOSE OF THE LAND LEGACY REPORT.	
B. HOW TO USE THIS REPORT.	
C. WHAT THIS REPORT IS AND WHAT IT ISN'T.	
D. HISTORY OF THE LAND LEGACY REPORT.	
<u>Chapter 2. The State of Wisconsin's Resources.....</u>	3
A. OUR CURRENT AND PAST LANDSCAPE.	
Our People	
Our Land	
Our Wetlands	
Our Water	
Our Ecology	
Our Recreation Demands	
B. PROTECTION EFFORTS TO DATE IN WISCONSIN.	

Part II: Legacy Places

<u>Chapter 3. The Identification and Representation Process.....</u>	29
A. HOW THE LEGACY PLACES WERE IDENTIFIED.	
B. HOW THE LEGACY PLACES ARE ORGANIZED IN THE REPORT.	
C. HOW THE INFORMATION IS PRESENTED.	
D. HOW THE VALUES WERE DETERMINED.	
E. HOW SPECIFIC RECREATION ACTIVITIES ARE ADDRESSED IN THE REPORT.	

Chapter 4. Legacy Places by Ecological Landscape.

Index of Legacy Places by County	40
State Map of Legacy Places and Ecological Landscapes	42
State Map of Legacy Places and Public Conservation Lands	43
Index of Legacy Places.....	44
 SUPERIOR COASTAL PLAIN	47
NORTHWEST LOWLAND.....	55
NORTHWEST SANDS	61
NORTH CENTRAL FOREST.....	69
NORTHERN HIGHLAND	83
NORTHEAST SANDS	89

FOREST TRANSITION.....	95
WESTERN PRAIRIE.....	107
WESTERN COULEE AND RIDGES.....	113
CENTRAL SAND PLAINS.....	127
CENTRAL SAND HILLS.....	135
NORTHERN LAKE MICHIGAN COASTAL	143
CENTRAL LAKE MICHIGAN COASTAL.....	153
SOUTHWEST SAVANNA.....	161
SOUTHEAST GLACIAL PLAIN.....	167
SOUTHERN LAKE MICHIGAN COASTAL	183
<u>Chapter 5. Statewide Needs and Resources</u>	189
A. GROUNDWATER RECHARGE AREAS AND PLACES IMPACTING PUBLIC WATER SUPPLIES.	
B. LAKES AND UNDEVELOPED SHORELINE.	
C. LARGE WORKING FORESTS.	
D. RECREATION AREAS.	
E. SCATTERED NATURAL AREAS.	
F. TRAILS.	
G. WETLANDS.	
Part III: Where to from here?	201
A. WHAT LIES AHEAD.	
B. PERSPECTIVES ON HOW MUCH PUBLIC CONSERVATION LAND IS ENOUGH.	
C. REMAINING ISSUES AND NEEDS.	
D. ERRORS, OMISSIONS, AND UPDATES.	

Appendices

- A. Glossary.
- B. Natural Community descriptions.
- C. Criteria used to identify Legacy Places.

List of Figures

FIGURE 1: Map from the report, <i>A Park, Parkway, and Recreational Area Plan for Wisconsin</i> , 1939.....	1
FIGURE 2: Wisconsin's population, 1900 to 2025.....	3
FIGURE 3: Wisconsin's rural and urban population, 1900 to 1990.....	3
FIGURE 4: Fastest growing cities and villages in Wisconsin, 1990 to 2000.....	3
FIGURE 5: Population change by township, 1990 to 2000.....	4
FIGURE 6: Percentage population change by township, 1990 to 2000.....	4
FIGURE 7: Percent of Wisconsin residents living within 50 miles of each township.....	5
FIGURE 8: Number of Midwest residents living within 100 miles of each township.....	5
FIGURE 9: A 3-Dimensional view of population density in Wisconsin and surrounding states, 1990.....	6
FIGURE 10: Map of Wisconsin glaciation.....	7
FIGURE 11: Location of the transition zone, adapted from Curtis.....	7
FIGURE 12: Vegetation during the 1850s.....	7
FIGURE 13: Vegetation during the 1990s.....	8
FIGURE 14: Seasonal and recreational housing units in Wisconsin, 1940 to 1990.....	9
FIGURE 15: Changes in Parcel Size – Mukwonago Township from 1921 to 1997.....	10

List of Figures (continued)

FIGURE 16: Number of farms and total acres in farms in Wisconsin, 1950 to 2001.....	11
FIGURE 17: Number of farms in Wisconsin, by size, 1959 and 1997.....	11
FIGURE 18: Total acres held by different size farms in Wisconsin, 1959 to 1997.....	11
FIGURE 19: Acres of farmland sold and new owners' expectations for future use, 1988 to 2000.....	12
FIGURE 20: Acres of forest types in Wisconsin, 1936 to 1996.....	13
FIGURE 21: Breeding Bird Survey strata of diversity.....	13
FIGURE 22: Growth and removal of oaks in southern Wisconsin, 1996.....	13
FIGURE 23: Wetlands in Wisconsin, mid-1990s.....	16
FIGURE 24: Water Use in Wisconsin, 1995.....	17
FIGURE 25: Percentage of impervious surface within the watershed, for selected waterbodies in Milwaukee County.....	17
FIGURE 26: Areas of groundwater concern in Wisconsin.....	18
FIGURE 27: Watersheds of Wisconsin.....	19
FIGURE 28: Frequency of rare species occurrences in Wisconsin.....	20
FIGURE 29: Number of Wisconsin adults participating in selected outdoor recreation activities, 1997.....	22
FIGURE 30: Wisconsin State Park system: campsites and camper nights from 1950 to 1999.....	22
FIGURE 31: Public conservation land in Wisconsin.....	25
FIGURE 32: Local land trusts in Wisconsin.....	26
FIGURE 33: Ecological landscapes of Wisconsin.....	30
FIGURE 34: Land cover in Wisconsin.....	33
FIGURE 35: Public conservation and other land ownership in Wisconsin.....	33
FIGURE 36: Land cover of public conservation land in Wisconsin.....	33
FIGURE 37: Amount of each land cover type occurring on public conservation land in Wisconsin.....	33
FIGURE 38: An example of a description box for a Legacy Place.....	34
FIGURE 39: Legacy Places and public conservation lands.....	42
FIGURE 40: Legacy Places and ecological landscapes.....	43
FIGURE 41: Land cover of the Superior Coastal Plain.....	50
FIGURE 42: Public conservation and other land ownership in the Superior Coastal Plain.....	50
FIGURE 43: Land cover of public conservation land in the Superior Coastal Plain.....	50
FIGURE 44: Amount of each land cover type occurring on public conservation land in the Superior Coastal Plain.....	50
FIGURE 45: Land cover of the Northwest Lowlands.....	58
FIGURE 46: Public conservation and other land ownership in the Northwest Lowlands.....	58
FIGURE 47: Land cover of public conservation lands in the Northwest Lowlands.....	58
FIGURE 48: Amount of each type of land cover occurring on public conservation land in the Northwest Lowlands.....	58
FIGURE 49: Land cover of the Northwest Sands.....	64
FIGURE 50: Public conservation and other land ownership in the Northwest Sands.....	64
FIGURE 51: Land cover of public conservation lands in the Northwest Sands.....	64
FIGURE 52: Amount of each type of land cover occurring on public conservation land in the Northwest Sands.....	64
FIGURE 53: Land cover of the North Central Forest.....	74
FIGURE 54: Public conservation and other land ownership in the North Central Forest.....	74
FIGURE 55: Land cover of public conservation lands in the North Central Forest.....	74
FIGURE 56: Amount of each type of land cover occurring on public conservation land in the North Central Forest.....	74

List of Figures (continued)

FIGURE 57: Land cover of the Northern Highland.....	86
FIGURE 58: Public conservation and other land ownership in the Northern Highland.....	86
FIGURE 59: Land cover of public conservation lands in the Northern Highland.....	86
FIGURE 60: Amount of each type of land cover occurring on public conservation land in the Northern Highland.....	86
FIGURE 61: Land cover of the Northeast Sands.....	92
FIGURE 62: Public conservation and other land ownership in the Northeast Sands.....	92
FIGURE 63: Land cover of public conservation lands in the Northeast Sands.....	92
FIGURE 64: Amount of each type of land cover occurring on public conservation land in the Northeast Sands	92
FIGURE 65: Land cover of the Forest Transition.....	100
FIGURE 66: Public conservation and other land ownership in the Forest Transition.....	100
FIGURE 67: Land cover of public conservation lands in the Forest Transition.....	100
FIGURE 68: Amount of each type of land cover occurring on public conservation land in the Forest Transition.....	100
FIGURE 69: Land cover of the Western Prairie.....	110
FIGURE 70: Public conservation and other land ownership in the Western Prairie.....	110
FIGURE 71: Land cover of public conservation lands in the Western Prairie.....	110
FIGURE 72: Amount of each type of land cover occurring on public conservation land in the Western Prairie.....	110
FIGURE 73: Land cover of the Western Coulee and Ridges.....	118
FIGURE 74: Public conservation and other land ownership in the Western Coulee and Ridges.....	118
FIGURE 75: Land cover of public conservation lands in the Western Coulee and Ridges.....	118
FIGURE 76: Amount of each type of land cover occurring on public conservation land in the Western Coulee and Ridges.....	118
FIGURE 77: Land cover of the Central Sand Plains.....	130
FIGURE 78: Public conservation and other land ownership in the Central Sand Plains.....	130
FIGURE 79: Land cover of public conservation lands in the Central Sand Plains.....	130
FIGURE 80: Amount of each type of land cover occurring on public conservation land in the Central Sand Plains.....	130
FIGURE 81: Land cover of the Central Sand Hills.....	138
FIGURE 82: Public conservation and other land ownership in the Central Sand Hills.....	138
FIGURE 83: Land cover of public conservation lands in the Central Sand Hills.....	138
FIGURE 84: Amount of each type of land cover occurring on public conservation land in the Central Sand Hills	138
FIGURE 85: Land cover of the Northern Lake Michigan Coastal.....	146
FIGURE 86: Public conservation and other land ownership in the Northern Lake Michigan Coastal.....	146
FIGURE 87 Land cover of public conservation lands in the Northern Lake Michigan Coastal	146
FIGURE 88: Amount of each type of land cover occurring on public conservation land in the Northern Lake Michigan Coastal	146
FIGURE 89: Land cover of the Central Lake Michigan Coastal.....	156
FIGURE 90: Public conservation and other land ownership in the Central Lake Michigan Coastal.....	156

List of Figures (continued)

FIGURE 91 Land cover of public conservation lands in the Central Lake Michigan Coastal	156
FIGURE 92: Amount of each type of land cover occurring on public conservation land in the Central Lake Michigan Coastal	156
FIGURE 93: Land cover of the Southwest Savanna.	164
FIGURE 94: Public conservation and other land ownership in the Southwest Savanna.....	164
FIGURE 95 Land cover of public conservation lands in the Southwest Savanna.....	164
FIGURE 96: Amount of each type of land cover occurring on public conservation land in the Southwest Savanna.....	164
FIGURE 97: Land cover of the Southeast Glacial Plain.	173
FIGURE 98: Public conservation and other land ownership in the Southeast Glacial Plain.	173
FIGURE 99 Land cover of public conservation lands in the Southeast Glacial Plain.	173
FIGURE 100: Amount of each type of land cover occurring on public conservation land in the Southeast Glacial Plain.....	173
FIGURE 101: Land cover of the Southern Lake Michigan Coastal.....	186
FIGURE 102: Public conservation and other land ownership in the Southern Lake Michigan Coastal.	186
FIGURE 103: Land cover of public conservation lands in the Southern Lake Michigan Coastal.	186
FIGURE 104: Amount of each type of land cover occurring on public conservation land in the Southern Lake Michigan Coastal	186
FIGURE 104: Number of lakes in each county.....	191
FIGURE 105: Change in housing density from 1940 to 1990 in northern Wisconsin	191
FIGURE 106: Public access to Wisconsin lakes (named lakes and unnamed lakes over 20 acres).....	192
FIGURE 107: Forest ownership in Wisconsin.....	193
FIGURE 108: Industrial forest and public conservation lands in Wisconsin.....	193
FIGURE 109: Percent of Wisconsin residents living within 50 miles of each Township.....	194
FIGURE 110: State Natural Areas of Wisconsin	195
FIGURE 111: Current and proposed trails in the State Trails Network Plan.....	197
FIGURE 112: Wetlands in Wisconsin	199
